REMARKS

Reconsideration of the above identified application in view of the remarks following is respectfully requested. Claims 1-85 are in pending in this case.

Applicants wish to thank the Examiner for the interview conducted on October 24, 2006. Applicants amend the specification by deleting paragraph [0090] and amended paragraph [00212]. Applicants also amend the claims 1, 12, and 71 to recite the limitation wherein m is determined by solving said equation. Applicants submit NO new matter by this amendment.

Applicants submit concurrently with this response a Declaration under 37 CFR §1.132 by T. D. Shaffer which states that the parameters "A" and "m" can be easily solved mathematically. A person of ordinary skill in art may obtain both parameters "A" and "m" using the information disclosed in the application as filed with mathematical precision. Applicants also submit Table 26 with individual "m" calculated for each example based on the information disclosed in the application as filed.

Withdrawal of the rejection is respectfully requested.

In view of the above amendments and remarks it is respectfully submitted that the claims in this case are in condition for allowance. Prompt notice of allowance is respectfully solicited.

Respectfully submitted,
